

## Become a Rail Trail Partner

### Promote Your Business on our Website

Help us to make sure the Otago Central Rail Trail remains the Number 1 cycling destination of New Zealand.

Each business or service provider advertising on the OCRT website is regarded by the Trust as a "Rail Trail Partner" and by association becomes a partner to the greater network of NZ Trails by having a presence on the New Zealand Cycle Trails (NZCT) website.

All revenue goes directly into developing and enhancing the Trail.
